COOL SERVICE
BY THE OUNCE

Checked-bag fees are soaring, but who wants to take this all-important vacay without favorite grooming products in tow? Instead of spending the week before your trip traipsing all over town to find TSA-ready samples, turn to **3FLOZ.COM**.

This website keeps it easy to carry on, thanks to its collection of 3.4-ounce (or smaller) products from top brands like Oscar Blandi, Dr. Hauschka and Ted Gibson. The Jet Set Girls Weekender Kit (\$57.50) includes SPF towelettes, lip balm and facial mist, plus dry shampoo, hair spray and texturizing mist for your locks. Guys will enjoy exclusive sets from Anthony for Men (\$91) and Baxter of California, of Los Angeles' Shave Bar fame (\$50); both include hand-picked essentials like shaving cream, shampoo and deodorant.

Reverse the effects of a long flight with Beauty Balm, Cleansing Milk and Eye Cream from the Air Repair Kit (\$35), or grab the noncommittal-size Air Repair Beauty Boost (\$10), with smaller versions of most of the same products.
